

Oncological Sciences Center Symposium  
**Progress and Problems in  
Cancer Treatment and Prevention**

- 9:30 -9:35 Marietta L. Harrison, Interim Director,  
Oncological Sciences Center
- 9:35-9:40 Charles O. Rutledge, Vice President for Research,  
Purdue University
- 9:40-9:50 Martin C. Jischke, President,  
Purdue University
- 9:50-10:05 Frank G. Prendergast, Director, Mayo Clinic Cancer Center  
*"Introduction"*
- 10:05-10:10 Questions
- 10:10-10:25 Stephen D. Williams, Director,  
Indiana University Cancer Center  
*"Testicular Cancer"*
- 10:25-10:30 Questions
- 10:30-10:45 Robert B. Jenkins, Associate Director,  
Translational Research, Mayo Clinic Cancer Center  
*"Biomarker Discovery: Issues and Opportunities"*
- 10:45-10:50 Questions
- 10:50-11:30 Break and Informal Discussions
- 11:30-11:45 George G. Klee, Mayo Clinic Cancer Center  
*"Multianalyte Approaches to Cancer Diagnosis"*
- 11:45-11:50 Questions
- 11:50-12:05 Terry A. Vik, Indiana University Cancer Center  
*"Sex, Drugs and A.L.L.: How Current Clinical Biomarkers and Therapeutic Agents  
Point to Future Opportunities in Childhood Leukemia Research"*
- 12:05-12:10 Questions
- 12:10-12:25 Charles Erlichman, Associate Director,  
Clinical Research, Mayo Clinic Cancer Center  
*"Therapeutic Agent Delivery"*
- 12:25-12:30 Questions
- 12:30-1:45 Lunch and Informal Discussions  
East/West Faculty Lounges,  
Purdue Memorial Union
- 1:45-2:00 Scott H. Kaufmann, Mayo Clinic Cancer Center  
*"Novel Targets for Cancer Therapy"*
- 2:00-2:05 Questions
- 2:05-2:20 Daniela Matei, Indiana University Cancer Center  
*"Ovarian Cancer: Progress and Challenge"*
- 2:20-2:25 Questions
- 2:25-2:40 Val J. Lowe, Mayo Clinic Cancer Center  
*"Translational Molecular Imaging"*
- 2:40-2:45 Questions
- 2:45-3:00 Alex A. Adjei, Mayo Clinic Cancer Center  
*"Can we Predict Response to Cancer Therapy"*
- 3:00-3:05 Questions

3:05-3:40 Break and Informal Discussions

3:40-3:55 Patrick J. Loehrer, Sr., Associate Director for Clinical Research, Indiana University  
Cancer Center  
*"Progress and Research Opportunities in Colorectal Cancer"*

3:55-4:00 Questions

4:00-4:15 Piet C. de Groen, Mayo Clinic Cancer Center  
*"Mayo Clinic Life Sciences System"*

4:15-4:20 Questions

4:20-4:40 Informal Discussions
