

# Network for Computational Nanotechnology (NCN)

*Purdue, Norfolk State, Northwestern, UC Berkeley, Univ. of Illinois, UTEP*

Network for Computational nanotechnology (NCN)

Student Leadership Council (SLC)

Presented by Xufeng Wang

Purdue University

West Lafayette, IN 47906

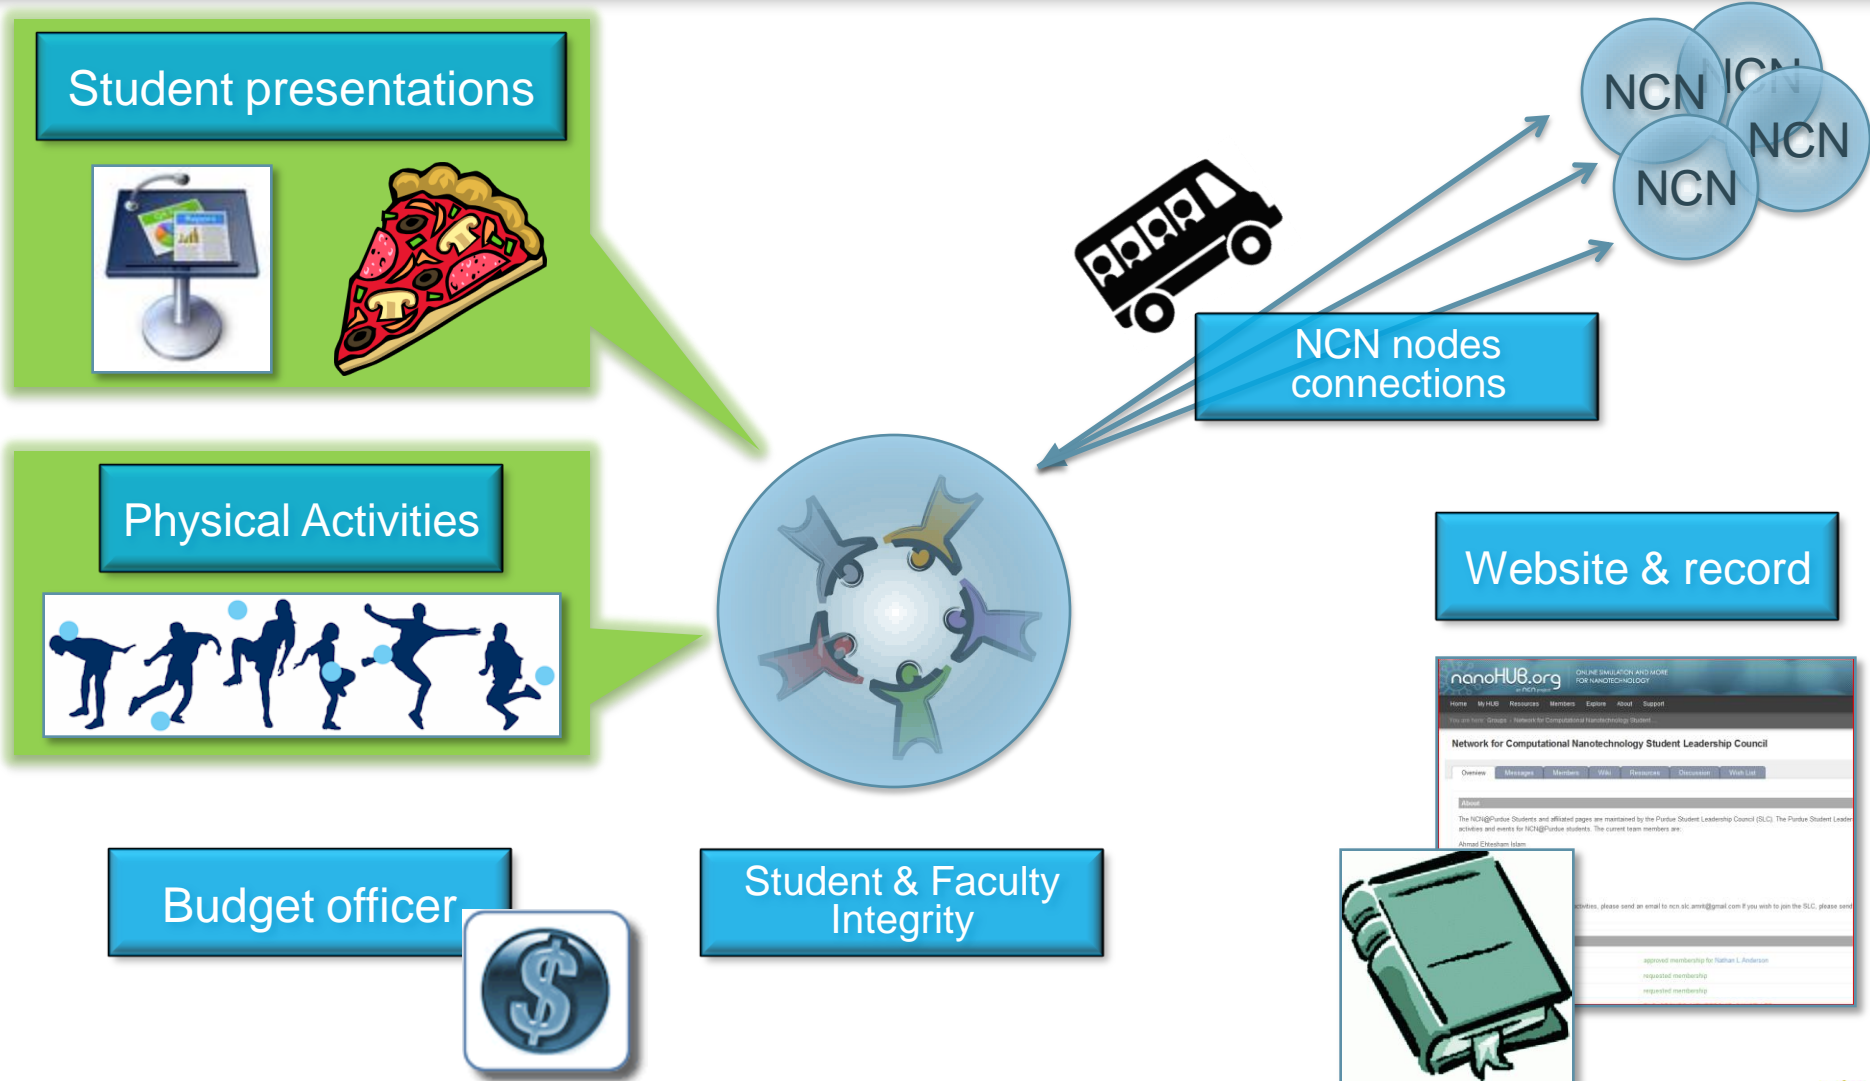

$$\vec{F} = m \vec{a}$$

- **Mass:** We **represent** the “mass”, the NCN student body and their interests.
- **Acceleration:** We motivate and organize through activities and communications, **accelerating your experience** toward better positive.
- **Direction:** Provide **leadership**.
- **Force:** Together, we build a **unified and learning environment** around us.

### 2010 SLC Team

Nathan L. Anderson  
Dionisis Berdebes  
Samiran Ganguly  
Prabhakar Marepalli  
Yumi Park  
Abhijeet Paul  
Parijat Sengupta  
Denis Torres  
Xufeng Wang  
Harsha Yejj  
Abu Naser M Zainuddin
